

考試科目	國際關係	所別	國際研究英語碩士學位學程	考試時間	2月23日(六)第 3 節
------	------	----	--------------	------	---------------

1. How has the role of the “state”—particularly its relations with the “society”—changed under globalization? What is the impact of globalization on democracy and social justice? Please draw examples from current, on-going events with emphasis on international trade and international financial market. (25%)
2. What is non-traditional security? Describe the background in which the concept of non-traditional security emerged and evolved. Provide three examples drawn from current world affairs that take place in different parts of the world to illustrate the importance of non-traditional security. (25%)
3. Please point out three types of terrorism based on ideology, and for each type, indicate one terrorist group that can better represent it and explain such a group in brief. (30%)
4. Please use 80-to-120 English words each to explain the following terms commonly seen in the study of international relations:
 - (1) R2P (10%)
 - (2) MDGs (10%)
