ASIAN IP WORKS-IN-PROGRESS CONFERENCE 2020

Asian IP Works-in-Progress Conference is an initiative by the Applied Research Centre for Intellectual Assets and the Law in Asia (ARCIALA), School of Law, Singapore Management University in 2016.

The conference provides an open annual forum for scholars across Asian economies researching and writing on Asian IP laws and regimes to present and discuss their works-in-progress in a more relaxed and interactive manner. Participants also came from the US and the European Union. Four consecutive Works-in-Progress Conferences have since been successfully held, making the event an invaluable asset in Asia.

The **6th Asian IP Works-in-Progress Conference** has been cancelled due to COVID-19.
