Acknowledgement

I am foremost grateful to my esteemed thesis advisor, Dr. Chin-chi Chao, who enlightened me on this study.

I also deeply appreciate the participant teachers of this study, who inspired me to polish my teaching.

I truly thank my earnest friends, who encouraged me through the past six years of my master study.

I feel an immense gratitude to my family. My parents' and siblings' support made my dream come true.

Finally, thank You, Guan Yin, the Goddess of Mercy, for your blessing.
