Chinese Abstract	vii
English Abstract	viii
Chapter	
1. Introduction	1
1.1 Goal of the Study.....	1
1.2 Purpose of the Study.....	3
1.3 Significance of the Study.....	5
2. Literature Review	6
2.1 Reading.....	6
2.1.1 Theory of Reading.....	6
2.1.2 Types of Reading.....	9
2.1.2.1 Extensive Reading.....	9
2.1.2.2 Intensive Reading.....	11
2.2 Cloze Test.....	14
2.2.1 Major Components of Cloze Test.....	14
2.2.2 Students' Problems with Cloze Test.....	15
2.3 Previous Studies on Reading Activity.....	16
2.4 Research Questions.....	19
3. Methodology	20
3.1 Participants of the Study.....	20
3.2 Instruments of the Study.....	22
3.3 Procedures of the Study.....	23
3.3.1 Procedures before the Study.....	23
3.3.1.1 Experimental Group: Extensive Reading	27
3.3.1.2 Experimental Group: Intensive Reading	28
3.3.1.3 Control Group.....	28
3.3.2 Procedures during the Study.....	29
3.3.2.1 Experimental Group: Extensive Reading	29
3.3.2.2 Experimental Group: Intensive Reading	30
3.3.2.3 Control Group.....	31
3.3.3 Procedures after the Study.....	31
3.4 Data Analysis.....	32

4. Results	33
4.1 Results of GEPT and the Simulation Test.....	33
4.2 Mean Scores before and after the Study.....	36
4.2.1 Mean Scores before the Study.....	36
4.2.2 Mean Scores after the Study.....	38
4.3 Participants' Attitudes toward Cloze Test and Reading Activity.....	43
5. Discussion	48
5.1 Different Effects of Reading Instruction on Grammar, Vocabulary & Phrases, Transitions, and Overall Performance.....	48
5.1.1 Different Effects of Traditional and Intensive & Extensive Reading Instruction.....	48
5.1.2 Different Effects of Intensive and Extensive Reading Instruction.....	49
5.2 Participants' Attitudes toward Extensive and Intensive Reading Activity.....	50
5.3. Participants' Suggestions for Extensive and Intensive Reading Activity.....	52
5.4 Summary of the Discussion.....	53
6. Conclusions	55
6.1 Summary of the Findings.....	55
6.2 Pedagogical Implications.....	56
6.2.1 Implementation of Reading Activity to Improve Low Achievers' Cloze Test Performance.....	56
6.2.2 Implementation of Reading Activity to Improve Low Achievers' Attitude toward English Reading.....	57
6.3 Limitations of the Study and Suggestions for Future Researches.....	58

Appendix A.....	60
Appendix B.....	61
Appendix C.....	63
Appendix D.....	64
Appendix E.....	65
Appendix F.....	66
Appendix G.....	67
Appendix H.....	68
Appendix I.....	69
References.....	70
Figure 2.1 Interactive-compensatory Model.....	8
Table 2.1 Advantages of Extensive & Intensive Reading.....	13
Table 3.1 The Inter-rater Reliability for Writing--Pearson Correlation Coefficient.....	24
Table 3.2 The Inter-rater Reliability for Speaking--Pearson Correlation Coefficient.....	25
Table 4.1 The Number of Students Passing the Four Sections...	34
Table 4.2 Results of GEPT and GEPT Simulation Test Elementary Level.....	35
Table 4.3 Results of Test of Homogeneity of Variance for Grammar Section.....	36
Table 4.4 Results of Test of Homogeneity of Variance for Vocabulary & Phrases Section.....	36
Table 4.5 Results of Test of Homogeneity of Variance for Transitions Section.....	37
Table 4.6 Results of Test of Homogeneity of Variance for Overall Performance Section.....	37
Table 4.7 Results of One-Way ANOVA for Grammar Section	39
Table 4.8 Results of One-Way ANOVA for Vocabulary & Phrases Section.....	40
Table 4.9 Results of One-Way ANOVA for Transitions Section	41
Table 4.10 Results of One-Way ANOVA for Overall Performance Section.....	42
Table 4.11 Post-study Questionnaire for Experimental Group in Extensive Reading Activity.....	43
Table 4.12 Post-study Questionnaire for Experimental Group in Intensive Reading Activity.....	45
