

Acknowledgements

My warmest thanks go to Dr. Hsueh-ying Yu, associate dean of the College of Foreign Languages and Literature, for her inspiring guidance and encouragement throughout my research for this work. For their reading of the manuscript and for helpful suggestions and other support, I want to thank Prof. Chin-ching Peng and Dr. Chen-kuan Chen. My gratitude is also extended to my colleagues in Ping-jen Senior High School and my classmate, Shu-ping Huang.

Finally, I would like to extend my heart-felt thanks to my family. My parents' support and blessing and, especially, my dearest husband and daughters' love have made this work possible.
