

ACKNOWLEDGEMENT

I would like to express my deepest gratitude to my advisor Dr. Chieh-yue Yeh. My master's thesis would not have been completed without her constant guidance and great assistance.

I am also thankful for the endless support from my parents. Furthermore, I would like to express my gratitude to Principal Cheng, Director Lin and Chiu in my school, Chien-te Junior High School in Keelung. They have been helping me solve lots of problems caused by my students and encouraging me to go for further study in the field of English teaching.

As for my best friend, Hu, I am grateful for his technical support and I would like to extend my grateful thanks to his wife's help as well. Besides, as for my dear friend, Liu, I also appreciate her continuing mental support.

Last but not least, I would like to express my sincere gratitude to the faculty members in the English Department. I am pretty sure that I would not have finished my master's degree without their help.
