『A Study on Strategic Planning of Electronic Resources Sharing Library Consortia』 Questionnaire

Dear Director,

This is a study of my Master Dissertation on strategic planning of electronic resources sharing library consortia. The purpose of this survey is to explore the management and strategic planning model of Academic Library Consortia. The study obviously cannot be as useful as it might be without your Consortium help and cooperation. The information for your answer is only for this research. I would be most grateful if you would fill out this brief questionnaire and return it in the enclosed self-addressed stamped envelope. Completed questionnaire is due *March 10, 2003*. . A prompt response from you would be greatly appreciated. My email is happyjue2002@yahoo.com.tw. Your help will be valuable and appreciated.

Sincerely yours,

Jue-Hwa Hwang
