

## Acknowledgements

A sense of release after the oral exam, it is when to thank many friends around me. My debt to the works I have quoted and summarized will be apparent. The interpretation I have placed on those works is, however, my responsibility alone. The author gratefully acknowledges indispensable comments and support from NCCU, NTHU, and my professors. Their time and effort was invaluable in helping to form this work and develop me as a graduate student. I am indebted to the professors as my thesis committee chairperson along with committee members. Thanks their direction of this study, help and encouragement given to me during my master program, especially Dr. Lo. The countless hours that has spent with me, his constructive advice given so unselfishly, and his patience with me, substantially improved the quality of this thesis and will not soon be forgotten. A special note of thanks goes to Jack, my mentor over the past two years. Additional thanks are given to my families.

\*to my family and friends

Your love and unconditional support has continually sustained me. Thank you for teaching me to fight and then believing in my dreams completely. I also would like to express my appreciation and thanks to my best friends

\*to my parents

Your steadfast commitment to my education instilled in me its importance. The key you gave not only unlocked the door for me but inspired me to study how education could also help others. Second only to your love, it is the best gift you could have given.

“Our progress as a nation can be no swifter than our progress in education.”  
Kennedy said.

Finally, I wish to thank my beloved person, for their moral support, love and patience, without which this thesis could not have been written.

## 謝 誌

蹲在角落寫論文的這一年，遨遊在文獻中的喜悅，似乎還停留在嘴角上揚處。失聯的朋友圈，無盡猛然早起的清晨，訴說著這份論文的重量。擁擠的政大，明亮的商圖，都是記憶中的銘刻，驚然回首，畫下了這章句點。謝謝口試委員郭振雄老師，吳文傑老師對本論文的建議，而謝誌似乎是論文中最難完成的一部份。我很慶幸能在最後的學生時期，遇到一群真心的朋友。

- 西瓜亮，你對我的付出跟關愛我永遠都會放在心裡。
- 蹲，如果不是你的爽朗，很多不要臉的話題找不到人討論的。
- NONO 鍋，你有一股陽光中的肩負責任。
- 鄧，認真又可愛的你，一直是我要學習跟取笑的來源。
- 宗憲隊長，理性的你帶給我很多正面的想法跟建議。
- 男哥，有你在，非常地可靠。
- 倪董，我知道你很好笑又成熟，只可惜時間少了點。
- 吳文傑老師，沒有感謝詞可以形容的。
- 指導老師羅德城老師一年以來，忍受我無賴愛遲到的個性。
- 清大蔡攀龍老師，我找到了肯定自己的舞台。
- 婷格，嘉瑜，阿乙，大學室友的日子很好笑，再怎麼分散各地也是一齊打氣。
- 儀隊的妳們，一直是手牽手的。
- 高中同班的，謝謝你們對我的龜有耐性。
- 每次我都失約的國中同學，不要丟下了我。
- 大學打工的實驗室，讓我有了一不一樣的思考能力。

還有不管是學業或是生活上幫助我渡過低潮時的朋友，不論是支持或是不認同我的人，以及你。每一次的反省都是激勵我拼衝的動力，我不斷地砥礪自己，今天一定要比明天更前進一點，因為不認輸，才有現在的我。感謝我的家人跟親戚們，對於你們長久以來的關心跟肯定，是我不斷前進的力量，如果說，我個人有一點點值得肯定的，一切都要歸功給我的父母，也獻給我到天國找外公的外婆。

～每個人都要在自己的表演舞台上發光發亮！～
