

Table of Contents

Chapter 1	Introduction.....	1
1.1	Research Background and Motivation.....	1
1.2	Research Issue.....	2
1.3	Research Objective	3
1.4	Research Flow.....	3
1.5	Organization of Thesis	3
Chapter 2	Literature Review	5
2.1	IT Assessment Views	5
2.1.1	Resource-oriented View.....	5
2.1.2	Capability-oriented View	7
2.1.3	Contingency-oriented View	10
2.2	IT Investment and Firm Performance	12
2.3	IT Assessment in Financial Service Industry.....	16
Chapter 3	Research Method	19
3.1	IT Capital	19
3.1.1	Intellectual Capital.....	19
3.1.2	IT Capital Definition.....	20
3.2	Research Dimensions and Indicator of IT Capital.....	22
3.2.1	Development of Dimensions and Indicators.....	22
3.2.2	Relationship between Theories and Dimensions and Indicators	25
3.3	IT Capital Questionnaire.....	29
3.3.1	Research Dimension in the Form of Questions – IT Input	29
3.3.2	Research Dimension in the Form of Questions – IT Output	31
3.4	Research Approach	34
3.4.1	Data Collection	34
3.4.2	Research Subjects	35
Chapter 4	Case Study	36
4.1	Case 1 : A Company.....	36
4.1.1	Case Background	36
4.1.2	IT Capital – Input.....	37
4.1.3	IT Capital – Output	38
4.1.4	IT Capital – Management	38

4.1.5	Indicator Applicability Evaluation.....	39
4.2	Case 2 : B Company	41
4.2.1	Case Background	41
4.2.2	IT Capital – Input.....	41
4.2.3	IT Capital – Output	42
4.2.4	IT Capital – Management	43
4.2.5	Indicator Applicability Evaluation.....	44
4.3	Case 3 : C Company	46
4.3.1	Case Background	46
4.3.2	IT Capital – Input.....	46
4.3.3	IT Capital – Output	47
4.3.4	IT Capital – Management	48
4.3.5	Indicator Applicability Evaluation.....	50
4.4	Case 4 : D Company	52
4.4.1	Case Background	52
4.4.2	IT Capital – Input.....	52
4.4.3	IT Capital – Output	53
4.4.4	IT Capital – Management	54
4.4.5	Indicator Applicability Evaluation.....	54
4.5	Case 5 : E Company.....	57
4.5.1	Case Background	57
4.5.2	IT Capital – Input.....	57
4.5.3	IT Capital – Output	58
4.5.4	IT Capital – Management	59
4.5.5	Indicator Applicability Evaluation.....	61
Chapter 5 Research Discussion.....		63
5.1	Rank of IT Capital Performance Indicators	63
5.1.1	Indicators for IT Input.....	63
5.1.2	Indicators for IT Output	64
5.2	Analysis results of Performance Indicators	68
5.2.1	Performance indicators in the dimension of IT Input	68
5.2.2	Performance indicators in the dimension of IT Output	72
5.3	Managerial Implications	78
5.4	Research Limitation	80
Chapter 6 Conclusions and Future Research Directions		81
6.1	Summary	81

6.2	Future Research Works	81
	References.....	83
	Appendix A: IT Capital - Indicator Applicability Evaluation.....	85
	Appendix B: IT Capital Questionnaire in Financial Industry.....	87

List of Tables

Table 2.1 Linking Business Strategy with Corporate Goals for IT.....	15
Table 3.1 Dimensions and Indications Based on Resource-oriented View.....	25
Table 3.2 Dimensions and Indications Based on Capability-oriented View.....	26
Table 3.3 Dimensions and Indications Based on Contingency-oriented View.....	26
Table 3.4 Dimensions and Indications Based on Intellectual Capital Research.....	27
Table 3.5 Dimensions and Indications Based on Types of Information Systems.....	28
Table 3.6 Dimension of IT Human Resources.....	29
Table 3.7 Dimension of IT Infrastructure.....	30
Table 3.8 Dimension of IT Application Capability.....	30
Table 3.9 Dimension of IT R&D Capability.....	30
Table 3.10 Dimension of Organizational Structure and Culture.....	31
Table 3.11 Dimension of Strategy Contribution and Decision Quality.....	31
Table 3.12 Dimension of Innovative Products and Services.....	32
Table 3.13 Dimension of Reducing Cost.....	32
Table 3.14 Dimension of Process Efficiency.....	33
Table 3.15 Dimension of Supplier/Customer Relationship.....	33
Table 3.16 Dimension of Knowledge Management & Organizational Learning.....	34
Table 3.17 Dimension of Intellectual Property.....	34
Table 3.18 The Introduction of Case Company and Interview Subject.....	35
Table 4.1 Degree of Indicators Applicability – A Company.....	40
Table 4.2 Degree of Indicators Applicability – B Company.....	45
Table 4.3 Degree of Indicators Applicability – C Company.....	51
Table 4.4 Degree of Indicators Applicability – D Company.....	56
Table 4.5 Degree of Indicators Applicability – E Company.....	62
Table 5.1 The Degree of Indicators Applicability – IT Input.....	66
Table 5.2 The Degree of Indicators Applicability – IT Output.....	67
Table 5.3 Analysis in Dimension of IT Human Resource.....	68
Table 5.4 Analysis in Dimension of IT Infrastructure.....	69
Table 5.5 Analysis in Dimension of IT Application Capability.....	70
Table 5.6 Analysis in Dimension of IT R&D Capability.....	71
Table 5.7 Analysis in Dimension of Organizational Structure & Culture.....	72
Table 5.8 Analysis in Dimension of Strategy Contribution & Decision Quality.....	72
Table 5.9 Analysis in Dimension of Innovative Products & Services.....	73
Table 5.10 Analysis in Dimension of Reducing Cost.....	74
Table 5.11 Analysis in the Dimension of Process Efficiency.....	75
Table 5.12 Analysis in the Dimension of Supplier/Customer Relationship.....	76

Table 5.13 Analysis in the Dimension of KM & Organizational Learning77
Table 5.14 Analysis in the Dimension of Intellectual Property78
