

Acknowledge

My appreciation goes mainly to my advisor Dr. Jen-Te Hwang for his inspiration, patient direction throughout my research, and for his assistance in every possible way during my master program at Chengchi University.

I would like to express my gratitude to Dr. Tzung-Ta Yen and Dr. Ai Wei, the first person is from Department of Economic Research of Central Bank of R.O.C. (Taiwan) and the other is from Graduate Institute of East Asia Studies, Chengchi University, for their useful comments at the thesis oral defense.

Besides, I am grateful to Mainland Affairs Information and Research Center of Mainland Affairs Council of R.O.C. (Taiwan). It supports most statistic data of the thesis and allows me to look up relative information freely.

Finally, special thanks go to my beloved parents and elder sister, for their love, constant aid, tolerance, and encouragement during the writing of the thesis.
