

## ACKNOWLEDGMENTS

Thanks to God Almighty for the completion of this master's thesis. Only due to His blessings I could finish my thesis. I would like to thank my beloved parents and family for their encouragement who are so supportive to me throughout my life. I also thank my beloved Taufik Poernomo (葉庭善) for his great help, compassion, and consolation.

I would like to express my deepest gratitude to my advisor, Professor Hsun-huei Chang (張郇慧老師), for her patience, invaluable advices and suggestions. Without her it would be impossible to finish this thesis. I also would like to express my heartfelt thanks to Prof. Her One-Soon (何萬順老師) for his valuable advices, help, and corrections. My appreciation must also be addressed to Dr. Lin Chang-Kuan (林長寬老師) for his great support and generosity.

I would like thank Taiwan Ministry of Education and NCCU for providing me with scholarship during my study in Taiwan. The opportunity of studying in NCCU really has broadened my horizon and opened new chances for me.

I would like to whole-heartedly thank the secretary of Linguistics department, 曾惠玲助教, who has helped me passionately and sincerely. I am so touched by her kindness. I am truly indebted to the coordinator of IEE, Ms. Alison Ho, for all her continuous help, support, and assistance throughout my study in NCCU.

Last but not least, I would like to thank all people who have helped me during the writing of this thesis and during my study in NCCU but I cannot mention their names here one by one. Hopefully this thesis can give quite a contribution to the linguistic research in Taiwan.
