

LIST OF TABLES

Table 1. Correlations of content and format in adjacency pair seconds	6
Table 2. A comparison of felicity conditions on request and warning	9
Table 3. Distribution of the interlocutors' age and gender in the 12 conversation data.....	25
Table 4. Distribution of pragmatic strategies used in C-disagreement and E-disagreement	30
Table 5. Types and subtypes of disagreement	53
Table 6. Disagreement by linguistic markers	57
Table 7. C-disagreement and E-disagreement by linguistic markers	59
Table 8. Subtypes of C-disagreement by linguistic markers	62
Table 9. Subtypes of E-disagreement by linguistic markers	64
Table 10. Disagreement by pragmatic strategies	67
Table 11. C-disagreement and E-disagreement by pragmatic strategies	69
Table 12. Subtypes of C-disagreement by pragmatic strategies	72
Table 13. Subtypes of E-disagreement by pragmatic strategies	74
Table 14. Disagreement by linguistic markers and pragmatic strategies	78
Table 15. Correlations between linguistic markers and pragmatic strategies for disagreement in general	79
Table 16. C-disagreement by linguistic markers and pragmatic strategies.....	84
Table 17. Correlations between linguistic markers and pragmatic strategies in C-disagreement	85
Table 18. E-disagreement by linguistic markers and pragmatic strategies	87
Table 19. Correlations between linguistic markers and pragmatic strategies in E-disagreement	88
Table 20. Disagreement by subtypes of pre-announcement marker	92
Table 21. C-disagreement and E-disagreement by subtypes of pre-announcement marker	93
Table 22. Subtypes of C-disagreement by subtypes of pre-announcement marker	95
Table 23. Subtypes of E-disagreement by subtypes of pre-announcement marker	96
Table 24. Disagreement by subtypes of pre-announcement marker and pragmatic strategies	99

Table 25. Correlations between subtypes of pre-announcement marker and pragmatic strategies in disagreement in general.....	100
Table 26. C-disagreement by subtypes of pre-announcement marker and pragmatic strategies.....	102
Table 27. Correlations between subtypes of pre-announcement marker and pragmatic strategies in C-disagreement.....	103
Table 28. E-disagreement by subtypes of pre-announcement marker and pragmatic strategies.....	104
Table 29. Correlations between subtypes of pre-announcement marker and pragmatic strategies in E-disagreement.....	105
Table 30. Disagreement by age differences	107
Table 31. Subtypes of C-disagreement by age differences	111
Table 32. Subtypes of E-disagreement by age differences	113
Table 33. Disagreement by linguistic markers by age differences	117
Table 34. Significant differences between linguistic markers in disagreement by speaker's and hearer's age	122
Table 35. C-disagreement by linguistic markers and age differences	124
Table 36. Significant differences between linguistic markers in C-disagreement by speaker's and hearer's age	127
Table 37. E-disagreement by linguistic markers and age differences	129
Table 38. Significant differences between linguistic markers in E-disagreement by speaker's and hearer's age	132
Table 39. Disagreement by pragmatic strategies and age differences	134
Table 40. Significant differences between pragmatic strategies by speaker's age in disagreement	135
Table 41. Significant differences between pragmatic strategies by speaker's and hearer's age in disagreement	138
Table 42. C-disagreement by pragmatic strategies and age differences	140
Table 43. Significant differences between pragmatic strategies by speaker's age in C-disagreement	141
Table 44. Significant differences between pragmatic strategies by speaker's and hearer's age in C-disagreement	143
Table 45. E-disagreement by pragmatic strategies and age differences	145
Table 46. Significant differences between pragmatic strategies by speaker's age in E-disagreement	146
Table 47. Significant differences between pragmatic strategies by speaker's and hearer's age in E-disagreement	148

Table 48. Correlations between linguistic markers and pragmatic strategies in general disagreement by speaker's age	150
Table 49. Correlations between linguistic markers and pragmatic strategies in general disagreement by hearer's age	153
Table 50. Correlations between linguistic markers and pragmatic strategies in general disagreement by speaker's and hearer's age	156
Table 51. Correlations between linguistic markers and pragmatic strategies in C-disagreement by speaker's age	161
Table 52. Correlations between linguistic markers and pragmatic strategies in C-disagreement by hearer's age	164
Table 53. Correlations between linguistic markers and pragmatic strategies in C-disagreement by speaker's and hearer's age	167
Table 54. Correlations between linguistic markers and pragmatic strategies in E-disagreement by speaker's age	170
Table 55. Correlations between linguistic markers and pragmatic strategies in E-disagreement by hearer's age.....	173
Table 56. Correlations between linguistic markers and pragmatic strategies in E-disagreement by speaker's age and hearer's age	177
