

ACKNOWLEDGMENTS

I would like to express my gratitude to my supervisor, Dr. David Blundell, whose expertise, understanding, and patience, added considerably to my graduate experience. I appreciate his vast knowledge and skill in many areas. I would like to thank the other members of my committee, Dr. Ching-Ping Tang, and Dr. Bien Chiang for the assistance they provided at all levels of the research project.

I would like to thank also Dr. Jiun Yih Chang, who is the first one who excited my curiosity in the field of the culture and ethnicity of the people in Taiwan.

A very special thanks goes out to Dr. Ding-Shu Wang, and my classmate Patrick Cowsill without whose motivation, encouragement, discussions, and support I would not have considered a graduate career in anthropological research.
